MISCELLANEOUS DEPARTMENTS

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, dated 19th November 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE, BANGALORE.

Notification No. C. 1296—38-9, dated 28th February—1st March 1939.

The undermentioned articles will be auctioned in the premises of the New Public Offices, Bangalore City, at 2 P.M. on Monday the 27th March 1939.

The articles will be put up for auction singly or in lots as may be found convenient at the time.

The articles will be knocked down to the highest bidder who will have to pay the whole amount of the bid on the spot and remove the articles after the auction is over.

The decision on any question that may arise shall vest in the Officer-in-charge of the auction.

(1) One Remington Typewriter.
(2) One Foot-rest.
(3) One broken chair.
(4) Two Metallic Tapes.

S. ABDUL WAJID,
Muzrai Commissioner.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

The last date for receipt of tenders is on 17th March 1939.

Abstract Notification dated 6th March 1939.

The attention of the public is invited to the notification calling for tenders for the work of constructing a Slaughter House in Nanjangud Town, published on pages 459-461, Part VI of the *Mysore Gazette*, dated 9th March 1939.

The last date for receiving tenders is 20th March 1939.

Abstract Notification dated 7th March 1939.

The attention of the public is invited to the notification calling for tenders for the work of constructing a mutton stall in Nanjangud Town, published on pages 479-481, Part VI of the *Mysore Gazette*, dated 9th March 1939.

The last date for receiving the tenders is 20th March 1939.

Abstract Notification dated 7th March 1939.

The attention of the public is invited to the notification, calling for the work of providing sanitary fittings, drainage arrangements to Malleswaram High School, Bangalore, published on pages 481-483 Part VI of the *Mysore Gazette*, dated 9th March 1939. The last date for receiving tenders is 24th March 1939.

Notification dated 10th March 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 27th March 1939, for constructing drains in Chamarjnagar Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1939.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,700 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for constructing drains in Chamarajnagar Town," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Public Health will be final and legally binding.
